Dr. Hale's Household Tea

Is the great blood purifier and nerve tonic. It acts upon all the secretions of the system, enabling the liver and kidneys to perform their proper functions, giving tone and strength to the nervous system, a certain cure for dyspepsia. Two months' treatment for 50c. Get a free sample at Carpenter's South Side drug store.

Heavy Frost.

There was a heavy frost on Thursday morning and all during the week overcoats have been very comfortable.

Oh, What a Cough.

Will you heed the warning; the signal perhaps of the sure approach of that more terrible disease Consumption? Ask yourself if you can afford, for the sake of saving 50c., to run the risk and do nothing for it. We know from experience that Shiloh's Cure will cure your cough. It never fails. This explains why more than a Million Bottles were sold the past year. It relieves croup and whooping cough at once. Mothers, do not be without it. For lame back, side or chest use Shiloh's Porous Plaster. Sold by J. W. GAYLE.

An Immense Radish.

Mr. Lee Jones, of Switzer, brought to this office Thursday an immense radish which weighed 8 pounds and measured 18 inches around and 12 inches long from the stem of the leaves to the end of the root. Who can beat it.

The couple left for a trip through the North and East and will be at home to their friends in Englewood, N. J., after Nov. 1.

Shiloh's Consumption Cure.

This is beyond question the most successful Cough Medicine we have ever sold, a few doses invariably cure the worst cases of Cough, Croup and Bronchitis, while its wonderful success in the cure of Consumption is without a parallel in the history of medicine. Since its first discovery it has been sold on a guarantee, a test which no other medicine can stand. If you have a cough we earnestly ask you to try it. Price 10c., 50c. and \$1. If your lungs are sore, chest or back lame, use Shiloh's Porous Plaster. Sold by J. W. GAYLE.

Our Apology.

To those who are admirers of the trotting horse no apology is necessary for the "horsey" appearance of the ROUNDABOUT this week; but for the benefit of the others of our readers we will say that the old man was attending the meeting of the Masonic Grand Bodies in Louisville and the devil was compelled to spend the greater part of his time at the race track to write an intelligent account of the races, so the other news had to suffer in consequence. We deem it necessary to say this much that none of our highly moral friends will think we won a fortune and turned the paper into a live stock magazine to show our gratitude.

For many years Mr. B. F. Thompson, of Des Moines, Iowa, was severely afflicted with chronic diarrhoea. He says: "At times it was very severe; so much so that I feared it would end my life. About seven years ago I chanced to procure a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It gave me prompt relief, and I believe cured me permanently, as I now eat or drink without harm anything I please." I have also used it in my family with the best results. For sale by J. W. Gayle.

A. B. Hutchings, of Danville, who had such success the past summer in the Blue Grass Circuit with Evangeline, Mimie, Hixie McGregor and others, writes "I have used Quinn's Ointment for some time and think it superior to all others, for Bog Spavins and Curbs it has no equal." Try it.

They Return Thanks.

The citizens of Bellepoint unite in returning thanks to the Frankfort Fire Department for their assistance at the fire last Sunday morning.

JAMES A. VIOLETT
Chairman B. P. T. C.

A Deserved Promotion.

Mr. Stuart R. Knott, who is well known to our citizens from his connection with the L. & N. as Traffic Manager, as well as a son of the late R. Knott, formerly of this city, was promoted to the First Vice Presidency of the system at the Directors' Meeting in Louisville Wednesday. It was a deserved honor and a most popular selection. Mr. Knott's many friends and relatives here hope he will ere long be at the head of as large a system as he is now employed by; and as young as he is, there seems scarcely any position to which he may not aspire in the course of time.

Kentucky Hospitality.

The world has admired this favored spot of earth, not alone on account of her fine horses, beautiful women and good whisky, but her unparalleled hospitality has become historic, but her good people have been humbugged too often. The most prominent and best men in this country have given Royal Germeture its wonderful reputation. Don't suffer—relief can be had by getting this remedy from Chapman & Williams.

To Enjoin Its Printing.

Suit was brought by Silas F. Miller and Walter Evans in the Circuit Court Thursday to enjoin the Public Printer and Secretary of State from printing and issuing copies of the new Constitution, on the ground that the Convention had no right to revise the instrument after it had been ratified by a vote of the people. The Constitution had already been printed and was sent out yesterday, by Capt. C. T. Allen, who was so instructed by the Convention.

Leaf by leaf the roses fall;
One by one our dear ones die.
O, to keep them with us still!
Loving hearts send up the cry.
Wife and mother, O how dear,
Fading like a mist away.
Father, let us keep them here,
Tearfully to God we pray.

Many a wife and mother, who seems doomed to die because she suffers from disease peculiar to women, which saps her life away like a vampire, and baffles the skill of the family physician, can be saved by employing the proper remedy. This remedy is Dr. Pierce's Favorite Prescription, the greatest boon ever conferred by man on weak, suffering, despairing women. It is a specific for all phases of female weakness, no matter what their name.

Re-union at Ashland.

The seventh annual re-union of the North East Kentucky Veteran's Association will be held at Ashland, Ky., on Wednesday and Thursday, October 21st and 22d. Free railroads will be served on the grounds to all old soldiers and their wives. Gen. D. W. Lindsay's regiment, the 22d Kentucky, is included in the Association, and all veterans from this county who desire to meet their old comrades are requested to note the date. Excursion rates will doubtless be secured.

Opera-Bouffe Company.

The Reeves English Opera Bouffe Company will appear at the Opera House, Wednesday night, October 14, in its new version of "Faust." It is not a burlesque, nor is it a variety show in the ordinary acceptance of the term. It is rather a very clever satire and extravaganza and is particularly attractive to the ladies, whose modesty has been frequently shocked of late by the broad burlesques and vulgar spectacles which have been going about the country seeking the patronage of the refined element of the theatrical public. It is presented with beautiful scenic effects and by an exceptionally strong company.

A CITY LUXURY.

Just as the city looks to the country for most of the luxuries used on its tables, so the country must turn to the city for those conveniences which are justly termed luxuries for the hard-working housewife. City housekeepers have learned to realize that to save time is to lengthen life.

SAPOLIO!

is one of the best known city luxuries and each time a cake is used an hour is saved. On floors, tables and painted work it acts like a charm. For scouring pots, pans and metals it has no equal. IF YOUR STOREKEEPER DOES NOT KEEP IT YOU SHOULD INSIST UPON HIS DOING SO, as it always gives satisfaction and its immense sale all over the United States makes it an almost necessary article to any well-supplied store. Everything shines after its use, and even the children delight in using it in their attempts to help around the house.

WHY DO YOU COUGH?

Do you know that a little cough is a dangerous thing? Are you aware that it often fastens on the lungs and far too often runs into Consumption and ends in Death? People suffering from Asthma, Bronchitis, Pneumonia and Consumption will all tell you that

"IT STARTED WITH A COLD."

Can you afford to neglect it? Can you trifle with so serious a matter? Are you aware that

DR. ACKER'S ENGLISH REMEDY for Coughs, Colds and Consumption is beyond question the greatest of all Modern Remedies? It will stop a Cough in one night. It will check a Cold in a day. It will prevent Croup, relieve Asthma and cure Consumption if taken in time. "You can't afford to be without it." A 25 cent bottle may save you \$100 in Doctor's bills—may save your life! Ask your druggist for it, or write to W. H. HOOKER & CO., 46 West Broadway, New York, for book.
